

The image shows a multi-level restaurant interior. The main level features a large glass window with a brick wall behind it. A living wall with various green plants is mounted on the brick wall, with a blue clock face integrated into it. Several pendant lights hang from the ceiling. A staircase with a black metal railing leads to an upper level. In the background, a kitchen area is visible with a chef working. The overall atmosphere is industrial and modern.

An Invitation

FROM US TO YOU

When we opened Gunther & Co. in 2016, we did so with the intent to provide Baltimore not only a unique approach to dining and entertaining, but also a space to welcome guests with the warmth and service you could expect if you were guests in our home.

We hope Gunther & Co. can be a part of your next big event.
